Bob,

Thank you for sending me a copy of your Coleman report as I requested. On April 13, 2008, I was about to read the report and I flipped the pages when I saw something that said either Coleman Statement or Interview. Do to the fact that your interview was related to your personnel investigation, I did not read the report but instead destroyed the only hard copy of the report which I had printed as well as on this date deleted the email which you had sent me.

If possible could you please send me a new copy of the report with any personnel related interviews redacted from the report for my files.

Thank you for your assistance with this,

Stephanie Ingraham
